2025 M Street NW, Suite 300

Dear Mrs. Liu,

I have been informed that RFA's Tibet Service Director, Jigme Ngapo, has been forced to leave his position. I have reason to believe that he was terminated for political reasons. I am aware that last month the staff of the Tibet service sent you a letter expressing their support for Director Ngapo urging that he remain in his current position.

Please tell me how you responded to the letter from RFA staff and explain the circumstances of Ngapo's departure and termination.

I look forward to a prompt reply.

Sincerely,

A handwritten signature in black ink that reads "Dana Rohrabacher".
